Helen Bye

Dear Parents / Carers,

Upon our return to school after the Christmas break, we are holding an Arts week. This will allow children to explore different aspects of art as well as many traditional and modern artists.

The theme for Art week is 'The Great Outdoors'. We are asking that, where possible, children are able to access local parks and green spaces to begin to develop inspiration for the week. If possible, take pictures, recordings and even drawings of our local area for children to share when back in school.

In classes, the children will have the opportunity to contribute their work to a mood board wherein children express their experience of exploring different art styles. It would be fantastic if they came with something to contribute to the mood board such as a landscape photo of a local green space (or hopefully a white, wintery space!). This would allow children to share reference work with their peers and take ownership over the mood board as we aim for this project to be led by the children.

Yours sincerely,

Mr. Elliott (Key Stage 2 Art subject lead) and Mrs. Thindal (Key Stage 1 Art subject lead)
