Helen Bye

Dear Parents and Carers,

Thank you for your continued patience this year, we are aware that we have had a number of changes and with staff absences being so high there has been a lot of new faces in the team.

We are trying hard to keep disruption to a minimum and we recognise that this may have been unsettling for some of the children. However, we think they are coping very well, and their learning continues to progress.

We have some exciting news, in our continued mission to improve early years provision, our outdoor area will be having some major work done next week. A new climbing frame is being installed which will support physical development as well as providing a great place to play with their friends.

This will mean that we will need to go back to children arriving and being dismissed from their individual classroom doorways from **Monday 7th February**.

- Nursery – Michael Rosen Class – Nursery gate
- Reception – Judith Kerr Class – Miss Jennings – Classroom door at front of school
- Reception – David McKee Class – Miss Ward – Side door towards the Nursery

We appreciate your continued support through this time, we are all looking forward to the new equipment being installed.

Kindest Regards

Helen Bye
