

Dear parents/guardians,

This letter is being sent out to inform you of the Harvest activity this year. We are kindly asking that, if possible, you send your child into school with food items.

All donations will go to the Food Bank in the local community and we will be extremely grateful.

Parents/guardians will have from Monday the 11th of October until the 18th of October. This event is entirely organised by Year Six.

Example Items:

Tinned items.

- Long life items.
- Packets of biscuits.
- Hygiene items.
- Jams.
- squash
- Sachets of tea, coffee, hot chocolate.

We unfortunately cannot accept fresh produce only long lasting items.

Thank you for respecting our wishes and committing so no-one has too much until everyone has enough.

Yours sincerely,
Year Six Class.
