26th January 2022

Dear Scientia Families

I would like to share some news about our very hard working and trusted Site Manager, Mr. Tom Cotton.

As you know he has been here at Scientia since the school opened and has been a constant figure on the gates and around the school ever since. He has been a huge part of the success of Scientia and his hard work and commitment to the school cannot be underestimated.

This achievement has been recognised by our Multi Academy Trust and has earned him a very well-deserved promotion; he will be moving to the REAch2 Central Estates team working across a number of schools in a new role.

Tom's last day with us will be the 31st January 2022, I am sure you will all want to say thank you and good bye to him on the gate, he has helped look after all of us and the children for many years and will be greatly missed.

Everyone at Scientia wishes him the very best of luck in his new job and we hope we will still be seeing him regularly both as a parent and a colleague.

Kindest Regards

Helen Bye
