

Dear Parents/ carers,

In line with updated government guidance, we have been reviewing our curriculum for Relationships and Health Education.

We invite all parents to review the updated information on our website, using the following link:

www.scientiaacademy.co.uk/curriculum/rhe

Here you will find details of why the curriculum has changed and a yearly overview of the scheme of work we are using.

Please use the survey below to share any views or comments you have on the changes.

We teach Relationships and Health Education in the summer term so this curriculum will be delivered from May 2022.

Kind Regards,

Mrs Laura Hands
Deputy Headteacher
