

11th June 2021

Dear Scientia Families

Sports Week

We are very excited that we have been able to invite Aspire Sports UK in to school to support our Sports Week.

This year we will not be able to have a traditional sports day due to the current restrictions, but we are still very keen for the children to have a fun and active week.

Our week is called 'The Road to Tokyo' and the children will be joining the team from Aspire in Olympic and Paralympic workshops.

We will also be celebrating the start of the Euros as we get behind the national team.

We would like all children to come to school in sports clothes every day next week so that they can join in with all the activities.

Kindest Regards

Helen Bye

Headteacher
