

30th April 2021

Dear Scientia Families
Summer Updates

We have had a great start to the new term, the school is buzzing with happy children and this week we have had a Science theme which everyone is really enjoying.

Staffing Changes

Mrs. Louise Davies has been a REAch2 Special Educational Needs Coordinator (SENCO) for the last 4 years, she has worked across 4 schools, including Scientia Academy. From 30th April she will no longer be working here, Mrs. Roberts-Doyle will now be Scientia's SENCO.

We have set up an email address for you to be able to contact her if you have any SEND queries:
senco@scientia-academy.org.uk

This will be the most direct route to make contact if you have any worries or concerns about your child.

We wish Mrs. Davies all the very best for the future and would like to thank her for everything she has done here as the school has grown over the years.

Reminders

Monday May 3rd: School closed for Bank Holiday

Thursday May 6th: School closed to children for Polling Day

We will be offering remote learning for **Thursday 6th May**. This will be two live sessions and/or work that can be completed at home.

- Early Years: Live sessions at 9.00am and 12.00pm
- Years 1 and 2: Live sessions at 9.30am and 2.00pm
- Years 3, 4, 5 and 6; Live sessions at 9.00am and 2.30pm

Teams Links will be sent out by the teachers.

If you have no access to devices, we will make sure that the work is printed and given to the children on Wednesday so that everyone can still access some home learning for the day. Please make sure you tell the teachers or the office if this is what you need.

School App

We are very excited to launch our new School App, please make sure you download this as soon as possible, this will become our main way of communicating school information in the future, it will keep all the latest information in one place so that nobody misses out on what is happening in school. If you are having any difficulties with this, please contact the school office and they will help you. The school

app will also be the place to book school meals, book sessions on breakfast club as well as paying for trips and other items.

To contact the school office please email: office@scientia-academy.org.uk

Kindest Regards

Helen Bye

Headteacher
