Dear Year 1 Families

We are currently completing our project, 'Moon Zoom!' We are learning all about space and as part of Design and Technology, we are exploring and evaluating space-related toys, including rockets, space buggies, figures, and costumes.

We are going to investigate what each toy can do. If your child has any space-themed toys and you are happy for them to bring it in, please can they bring them in on Friday 26<sup>th</sup> November.

If you have any questions, please do not hesitate to ask.

Many thanks,

**Mrs Thindal, Miss Kinnear and Miss Burke.**
