Helen Bye

Dear Parents/Carers,

The end of the year is fast approaching, and our Year 6 children have nearly come to the end of their time at Scientia. As an end of year treat, we have organised for a company to provide us with several outdoor activities including a 27m inflatable obstacle course!

This day will be held on Monday 19<sup>th</sup> July. We have the equipment all day so the children will be free to use it as they wish. Please ensure children are wearing suitable clothes on this day.

We will also be having a picnic lunch; children are welcome to bring their own packed lunch or order a school picnic dinner. After school, we will be holding an outdoor disco so children may wish to bring a change of clothes for this.

As a school we will be subsidising some of the cost of this day to ensure that children enjoy it as much as possible, we will also be providing snacks and drinks during the disco after school. The remaining cost of the day will be £18 per child.

Yours sincerely

*Helen Bye*
